### **Items to be covered:**

### **Parent Booster Club**

One of the coaching staff's goals during the building of the Auburn Mountainview Volleyball Program is to establish a Parent Booster Club. Essentially, the booster club will assist in generating extra revenue for the volleyball program. Parents can help the coaching staff by approaching local businesses and organizations for volleyball sponsorships and selling Mountainview Fall Sports Media Guide advertisements, as well as assisting with concession sales for home volleyball matches. If you are interested in participating in the Volleyball Booster Club, please sign up at the parent meeting. In the mean time, visit our website [www.mountainviewvolleyball.com](http://www.mountainviewvolleyball.com) and click on the **booster link**. There, you can express an interest for different jobs to assist us this fall.
